You are God's Solution to a hurting world.

We are in an unprecedented time in history.

We are closing in on a greater outpouring of revival, with the potential to be the final great move of God.

We are now waking up to the reality that the status quo no longer exists. We cannot do business as usual. What we were doing before was not fully working. It is time for an UPGRADE, a time to live the life of adventure that we have always longed for.

The sooner we are each activated to share the love of Jesus in the earth, the sooner the demise of our enemy will come.

You are God's idea, his dream and his plan for reaching ALL the world. His story has never changed.

Broadcast through His eyes is His consistent message, "Come to my heart, I love you."

"And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come." Matthew 24:14, NIV

The Story of the Lion of Judah

In November 2009, at Beltway Park Baptist during a Global Awakening conference, I received a creative download, an outpouring, an instructional teaching, and a mighty and blessed gifting from heaven. I was a wounded artist that did not draw. After not being able to overcome the feeling that I was to carry my art bag with me on the last day of the conference, I sat propped up against the wall unpacking pastels as I listened to the teaching. I was compelled to draw one lion on paper and then a second on cardboard. The first was definitely something new and left that night with a missionary couple on their way to serve in the field. Next came a complete unloosing and release into gifting that I had never known. The result was His face; He is the Lion of Judah. He is mighty and He is gentle; He is fierce and He is tender.

“Do not weep! See, the Lion of the tribe of Judah, the Root of David, has triumphed. He is able to open the scroll and its seven seals.”
Revelation 5:5, NIV

The enemy barges in seeking to devour, kill, steal, and destroy. I have lived a lifetime under his tyrannical propaganda. On this night, the Truth broke through the darkness! I was driving and praising all the way home. I kept repeating Eric Johnson's words from his CD "Create." "What if a doodle could destroy a stronghold?" I walked straight into the house to a pad of paper and again made the doodle that I had hidden for a lifetime. When I had made my mark while drawing The Lion, I had drawn back like a terrified child. I gasped, "Oh no, is that all right? Am I in trouble?" That is when I heard the audible voice of God say, "I created you to do that!" Under His direction, my doodle releases the Holy Spirit's presence and creativity; that night it destroyed the stronghold that had kept me bound. His five words have changed everything.

Thank you, Jesus!

Yippee, Amen and Hallelujah !!

2024 Vision

As we enter our 8th year, will you join our global collaboration?! As of this printing Project 7 Billion was formed 7 years and 7 months ago. Since the beginning, God has led us to go to ALL the world, “ALL 7 Billion and counting”... Now, we are moving into a new season. We believe God is strategically catapulting us forward. Project 7 Billion’s reach is exponentially expanding. The ripple effect of our obedience over the last 7 years and 7 months has reaped great favor and is opening doors. We would love for you to join us. Please help us continue in our mission with the following prioritized initiatives.

01 - Reach Up - God is Worthy of All Our Praise

As we are being launched, we will be intentionally grounded in the Word and with praise. Our mission to share the love of Jesus through an encounter with the image of the Lion of Judah holds this first initiative of utmost importance. Judah means praise. Painting, speaking and sharing, locally, nationally and beyond is purposed as praise. Beginning April 12th we will begin hosting a monthly gathering, called Rosh Chodesh, to celebrate, praise and give thanks to God. Rosh Chodesh, in Hebrew, literally means “head of the month”. We hope that you will join us.

02 - Reaching Out - with the “Go” of the Gospel

We are reaching out to ask you to become a monthly partner. As we continue our global, local and national outreaches we have set our hearts and courage to ask for ongoing partnerships. We are greatly encouraged over the effectiveness of our online evangelism outreach and by the collaboration of local, national and international believers who pass out cards and share the love of Jesus. The continual monthly multiplication over the internet and fruitful testimonies have increased our hunger and belief that together we can reach ALL. Matthew 28:19-20, Mark 16:15, Acts 1:7-8

03 Out-Reach - Going with “Ferocious Love”

We are focusing on going out with a local, regional and national “Ferocious Love” book and speaking tour in order to impact hearts, offer hope, and strengthen intimacy with Jesus through the testimony of His Ferocious Love.

04 Reaching Forward

Employ, refine and develop our creative curriculums to bless others as well as to strengthen and advance collaborations with ministry partners.
